WE WOULD CALL THE ATTENTION OF GUANO Dealers, Planters, and Farmers, to the article which we have on hand, and for sale, at Thirty per cent. less than Peruvian Guano, and which we claim to be superior to any Guano and which we claim to be superior to any Guano or Fertilizer ever imported or manufactured in this country. This GUANO is imported by WM. H. WEBB, of New York, from Jarvis' and Bakers' Islands, in the "South Pacific Ocean," and is sold genuine and pure as imported. It has been satisfactorily tasted by many of our compliant. factorily tested by many of our prominent Far-mers, and analyzed by the most eminent and popular Agricultural Chemists, and found to contain

(as will be seen by our circulars) a large per cent. of BONE PHOSPHATE OF LIME, PHOSPHORIC ACID, And other animal organic matter, yielding ammonia sufficient to produce immediate abundant crops, besides substantially enriching the soil. It can be freely used without danger of burning the seed or plant by coming in contact with it, as is the case with some other Fertilizers; retaining a great degree of moisture, it causes the plant to grow it a healthy condition, and as experience has proved,
FREE OF INSECTS.

ly attended to,) or pamphlets containing full parculars of analyses and tests of Farmers, apply to JOHN B. SARDY, Agent, No. 58 South street, cor. of Wall street, N. Y. The undersigned have been appointed Agents for the sale of this GUANO in Alexandria, and and have a cargo now on hand.
